

Stilla is hiring an Operational Marketing Support

Who we are

Stilla Technologies, a fast-growing and Paris-based European start-up company, is recruiting an operational marketing support to assist with the marketing and communication of its Naica™ System for Crystal Digital™ PCR.

After closing a 16 M€ Series A funding round in November 2018, Stilla is scaling its operations worldwide, with a focus on expanding sales of its Naica system in Europe.

Stilla's talented and multidisciplinary team shares a passion for building successful Life Science products based on deep technological innovations. We are pursuing a huge potential market and aim become the new leader in the exciting field of precision genetic analysis. Join us!

Stilla is hiring an Operational Marketing team member who will support the Marketing and Sales team.

Our ideal candidate:

- Must speak French and English fluently and any other language (German; Spanish; etc..) is a plus.
- Has at least a bachelor's degree in Marketing and Communication
- Has at least 2-year experience working within a Marketing team
- Has the ability to manage/prioritize multiple simultaneous projects, working in a fast-paced environment.
- Has social media and web skills (SEO, website management, CRM management, etc.)
- Has a keen interest in visual communication and graphic design
- Has excellent organizational skills
- Is Team-oriented
- Is Proactive
- A previous experience in life sciences, biotech or pharma industries would be a plus

**Missions**

- Execute the marketing and communication plan (brand awareness, campaigns management, etc.)
- Manage e-mailing and newsletter campaigns
- Manage Stilla's social media pages following the media plan and calendar
- Manage Stilla's website (the use of wordpress is needed)
- Support and work closely with the sales team
 - Elaborate communication medium (key messages, design, etc.)
 - Manage the communication medium and goodies supply
 - Plan and prepare Stilla's participation to tradeshow and conferences
 - Organize Stilla's events such as seminars, workshops, etc.
- Analyze marketing activities results and provide campaign reports (ROI, KPIs, etc.)
- May be required to perform other related duties as required and/or assigned.

Why join us?

- Join a fast-growing team and help promote the Naica System worldwide!
- Join a young and dynamic Life Science company growing at a 3-digit pace!
- Work with a team who shares a passion for building successful Life Science Products based on deep technological innovations.
